INVESTMENT—Will you be one of ten to investigate a proposition as sound and sure of success and ultimate profits as Mergenthaler, the Bell telephone, the Westinghouse airbrake or any of the industrials that brought wealth to the initial investors? A \$500 investment on the present ground-floor basis may bring annual returns equal to an investment of \$5,000. An interview at any time and place you suggest will give you an opportunity to judge of its soundness. It is broadly protected by dominating patents and in practical operation. Address Box 54, Star office.
